

Aspeq Cookie Policy

Last updated: 4 March 2025.

Please read this cookie policy carefully before using the online booking website operated by Aspeq Limited.

What are cookies?

Cookies are those small pieces of data stored in text files saved on your mobile device or computer when you visit a website. Cookies allow the website's server to record and store your actions and preferences, such as login information, user history, language settings, font settings, colour settings, and other display preferences, over a particular period. Cookies ensure visitors do not have to continuously re-enter their details or information whenever they revisit the site or surf between pages.

Each cookie is unique to your web browser. It will contain some anonymous information such as a unique identifier, website's domain name, and some digits and numbers.

Cookies are used to remember your preferences for single visits through sessional cookies or multiple repeat visits through permanent cookies.

How we use cookies?

Cookies are essential for our website to function optimally and enhance website performance for a better user experience. The website administrator(s) controls all cookies used on the site and grants third parties' access for statistics and analytics purposes.

Cookies are needed to remember to identify visitors and remember their site actions and online behaviours.

We use cookies for various reasons, which are explained in detail below. Please know that cookie-related information is not used to identify you personally.

What types of cookies do we use?

- *Necessary cookies*
Necessary cookies allow us to offer you the best possible experience when accessing and navigating through our website and using its features. For example, these cookies let us recognize that you have created an account and have logged into that account.
- *Functionality cookies*
Functionality cookies let us operate the site in accordance with the choices you make. For example, we will recognize your username and remember how you customised the site during future visits.

Third-Party Cookies

Aspeq Chatbot Cookies

By using our chatbot, you consent to the use of cookies. Our chatbot uses cookies to enhance your browsing experience, ensuring smoother and more personalised interactions by remembering your preferences and past conversations. These cookies also help us understand how the chatbot is used, allowing us to optimise its performance and improve the

services we offer. Some cookies are essential for the chatbot to function properly, while others enable analytics and custom features.

How to control cookies?

You can control and/or delete cookies on your mobile device or computer and adjust your browser settings to prevent cookies. Users can withdraw consent to collect cookies on the website. You can also determine whether you want to agree to the site's use of cookies. However, doing this may cause you to repeat your preferences every time you visit the site manually, and some of the site's services and functionality may not work optimally.

How to disable cookies?

You can disable cookies setting by adjusting the option on your browser settings (see your browser "Help" for more details). However, please be aware that the act of disabling cookies will affect your visit's functionality and the use of this website and many others.

Unfortunately, disabling cookies will usually result in also disabling certain functionality and features of this site. In most cases, there are no website standard options for disabling cookies without completely disabling the functionality and features they add to the site. It is recommended that you enable cookies for optimal site functionality and service.

How to manage your cookie preference?

You can manage [your cookie preference](#) at any time.
